Hand-outs, homework exercises, homework answers, and other paperwork will be available on the tables at the door. Please pick them up as you come to class.

Hand-outs for each class will be distributed a week in advance. To get the most out of each class, you should read the handout before class and prepare questions about any part of the hand-out that you do not understand.

There will be a homework assignment for the first three classes. These exercises are designed to reinforce your understanding of the topics that were covered in a class.
